

COMMITTEES

Director:

Manuel López (Spain)

Co-directors:

Carlos Giné (Spain) and Holger Till (Austria)

Faculty:

María Marcela Bailez (Argentina), Steve Rothenberg (USA), Katherine Barsness (USA), David van der Zee (Netherlands), Dariusz Patkowski (Poland), Karen Diefenbach (USA), Marcelo Martínez Ferro (Argentina), Silvia Arévalo (Spain), Phillip Szavay (Switzerland), Piotr Czauderna (Poland), Munter Haddad (UK) and Todd Ponsky (USA)

Local Organization:

Ana Lain, Laura García, Marino Asensio, Sergio López, Gloria Royo, Romy Gander, Gabriela Guillén, José Andrés Molino and Mohammad Ezzeddine

UNDER THE AUSPICES OF:

International Pediatric
Endosurgery Group (IPEG)

MODELS:

EA/TEF	(M Bailez, K Barsness)
CDH	(K Barsness, K Diefenbach)
Duodenal Atresia	(K Barsness, M Bailez)
Hepatico – jejunum anastomosis	(M Bailez)
Pyeloplasty	(H Till, P Szavay)
Lobectomy	(M Bailez)
VUR	(M López)
Fetoscopy for MMC	(C Giné, S. Arévalo)

REGISTRATION

Symposium 350€

Symposium registration includes: Access to scientific sessions, 24th April lunch, coffee breaks, course materials (congress bag, scientific program) and certificate of attendance.

Symposium & Hands-On.....1.000€

Full registration includes: Access to scientific sessions, lunches, and coffee breaks on all days of the meeting, course materials (congress bag, scientific program), certificate of attendance and “Hands-On” course.

Registrations must be made through the website <http://aulavhebron.net/> (future courses section).

Cancellations made before 1st April, will be refunded 85% of the registration fee. After that date, no refund will be made.

LANGUAGE:

The course will be taught in English.

ACREDITATION

This course has requested the accreditation of the Consell Català de la Formació Continuada de les Professions Sanitàries - Commission for Continuing Education of the National health System.

Certificates will be given to those attending a minimum of 80% of the sessions.

IPEG ENDORSED EUROPEAN SYMPOSIUM & HANDS ON COURSE IN PEDIATRIC, NEONATAL AND FETAL MIS

April 24-26, 2017

Course Direction
Department of Pediatric Surgery
Hospital Universitari Vall d'Hebron. Barcelona, Spain

Secretariat
Aula Vall d'Hebron

Monday April 24th, 2017

08:15 – 08:30 **Welcome addresses**

Professor Vicenç Martínez Ibáñez
 General Manager of Hospital Universitari Vall d'Hebron
 Professor David van der Zee
 President of the IPEG
 Professor Holger Till
 2nd Vice-President of the IPEG
 Professor Manuel López
 Local organizer

08:30 – 14:30 **THORAX**

08:30 Prenatal diagnostics and fetal therapy of pulmonary malformations (*S. Arévalo*)
 09:00 Lessons learned after over a hundred pulmonary lobectomies (*St. Rothenberg*)
 09:30 Thoracoscopic repair of Tracheo-Esophageal Fistula (*D. Patkowski*)
 10:00 Long-gap esophageal atresia (*D. van der Zee*)
 10:30 *Coffee Break*
 11:00 Endotracheal options for TEF-recurrences and stenosis (*M. López*)
 11:30 Thoracoscopic or laparoscopic repair of CDH (*H. Till*)
 12:00 FETO for prenatal treatment of CDH (*C. Giné*)
 12:30 MIS in pectus excavatum (*M Martínez Ferro*)
 13:00 *Lunch*
 14:00 Grand Lecture: Simulation as Training and Teaching in MIS (*M. Bailez*)

14:30 – 17:00 **UROLOGY**

14:30 Laparoscopic pyeloplasty (*H. Till*)
 15:00 Laparoscopic treatment of VUR (*M. López*)
 15:30 Laparoscopic nephrectomy/heminephrectomy

17:00 – 20:00 **HANDS ON – Two models each delegate**

Tuesday, April 25th, 2017

09:00 - 09:30 **ABDOMEN**

09:00 Duodenal atresia (*K. Diefenbach*)
 09:30 Pyloromyotomy: conventional laparoscopy vs SILS (*T. Ponsky*)
 10:00 Fundoplication for gastro-esophageal reflux disease (GERD) (*St. Rothenberg*)
 10:30 Laparoscopic approach to Hirschsprung Disease (*M. Haddad*)
 11:00 *Coffee Break*
 11:30 Laparoscopic pull through operations for high anorectal malformations (*M. Bailez*)
 12:00 MIS for inguinal hernia repair (*D. Patkowski* and *T. Ponsky*)
 12:30 - 13:00 **FETAL**
 12:30 Fetoscopic approach of neural tube defects (*C. Giné*)
 13:00 Closure of the Symposium
 13:00 *Lunch* (for delegates attending the Hands on course)
 15:00-18:00 **HANDS ON – Two models each delegate**

Tuesday, April 25th, 2017

09:00 (Seminar room) Feedback from participants, discussion, objectives (reached?).
 10:00 HANDS ON – Two models each delegate
 13:00 *Lunch*
 14:00 HANDS ON – Two models each delegate
 17:00 Closure of the Hands on Course

Part 1: International Symposium

APRIL 24-25, 2017

IPEG Leaders will entertain you with designated lectures on foetal, neonatal, thoracic, abdominal, urological topics. Moreover, YOU are encouraged to bring your own tricky cases to be discussed interactively.

Part 2: "Hands-On" Course

APRIL 24-26, 2017

Training course using IPEG's most sophisticated high fidelity simulation models in MIS for congenital diaphragmatic hernia (CDH), esophageal atresia (EA), duodenal atresia (DD), lobectomy, hepatico-jejunostomy, Vesicoureteral Reflux (VUR), pyeloplasty, open neural tube defects.

Registrations must be made through the website <http://aulavhebron.net/> (future courses section).

ACCOMMODATION:

The closest hotel to the venue is Hotel Alimara: www.alimarahotel.com It is advisable to book as early as possible.
